Sing

Generation Unleashed

Verse :
it was the love You gave that set us free
a brand new day began
it was the love no one had ever seen
on whom to comprehend

Pre-Chorus :
How can we celebrate this grace so freely
given for all to receive

Chorus :
we will sing sing sing
of all You've done
cause we are free indeed
our chains are gone
nothing can separate us now
nothing can separate this joy i found

Verse 2 :
it was the joy You gave that took away
all our heaviness
it was the joy no one had ever seen
to set us free again

Bridge :
Death defeated
You have won
You have conquered, overcome
