Chase the Sun

Planet Funk

I'm flying away
Running like the wind
As I chase the sun
Up spinning around
Circles in my mind
Sailing over groundI'm flying away
Running like the wind
As I chase the sun
Up spinning around
Circles in my mind
Sailing over groundI'm flying away
Running like the wind
As I chase the sun
Up spinning around
Circles in my mind
Sailing over groundI'm flying away
Running like the wind
As I chase the sun
Up spinning around
Circles in my mind
Sailing over groundI'm flying away
Running like the wind
As I chase the sun
Up spinning around
Circles in my mind
Sailing over groundI'm flying away
