

# Madman

## Quartz

I can't release you  
You're a mad man  
Need help to  
Madman, Madman  
You're tied to alcohol  
It starts to take its toll  
Madman, Madman  
Oh, Madman, Mad  
Mind filled with confusion  
Your life's an illusion  
Madman, Madman  
Oh  
Ugh  
Madman, Madman  
Madman
