

This Is War

Ben Kweller

I'm a soldier on a battlefield
Got an army on the battlefield
Outnumbered like the Alamo
I don't even want to go This is war
Yeah, yeah, yeah, this is war
This is war
Yeah, yeah, yeah, this is war Always stuck in a daydream
Can't focus on the other team
Hunted you all day and night
Now I'm ready for a fight This is war
Yeah, yeah, yeah, this is war
This is war
Yeah, yeah, yeah, this is war I can't be your friend
'Cuz I gotta knock you out Are you ready for a surprise?
I don't think you even realize
They say that you're the best
Gotta follow all the rest This is war
Yeah, yeah, yeah, this is war
This is war
Yeah, yeah, yeah, this is war This is war
Yeah, yeah, yeah, this is war
This is war
Yeah, yeah, yeah, this is war This is war
Yeah, yeah, yeah, this is war
This is war
Yeah, yeah, yeah, this is war I can't be your friend
'Cuz I gotta knock you out
So I can win
