This Is War

Ben Kweller

I'm a soldier on a battlefield
Got an army on the battlefield
Outnumbered like the Alamo
I don't even want to goThis is war
Yeah, yeah, yeah, this is war
This is war
Yeah, yeah, this is warAlways stuck in a daydream
Can't focus on the other team
Hunted you all day and night
Now I'm ready for a fightThis is war
Yeah, yeah, yeah, this is war
This is war

Yeah, yeah, this is warI can't be your friend 'Cuz I gotta knock you outAre you ready for a surprise?

I don't think you even realize

They say that you're the best

Gotta follow all the restThis is war

Yeah, yeah, yeah, this is war

This is war
Yeah, yeah, this is warThis is war
Yeah, yeah, yeah, this is war

This is war

Yeah, yeah, this is warThis is war Yeah, yeah, yeah, this is war

This is war

Yeah, yeah, this is warI can't be your friend 'Cuz I gotta knock you out So I can win
