Kiddie Boy

Nazz

Kiddie boy, kiddie boy, don't kid around with me
Kiddie boy, kiddie boy, don't kid around with me
Don't do nothing with my woman, you wouldn't want me to see
Don't do nothing with my woman, you wouldn't want me to seeKiddie boy, kiddie boy, I knew your papa too
Kiddie boy, kiddie boy, I knew your papa too
He'd come around my house, someone my mama knew
Come around my house, someone my mama knewKiddie boy, kiddie boy, I'm gonna have my day
Kiddie boy, kiddie boy, I'm gonna have my day
It seems you don't like living, you're gonna get your way
It seems you don't like living, you're gonna get your wayKiddie boy, kiddie boy, don't kid around with me
Kiddie boy, kiddie boy, don't kid around with me
Don't do nothing with my woman, you wouldn't want me to see
Don't do nothing with my woman, you wouldn't want me to see
