

# I See the Rain

## Marmalade

Beautiful day, I'd like to lie on the green lawn  
The ducks are congregating round and round the lily pond  
And the cows have all gone  
Runnin' home to put their coats on  
Stay indoors while it pours till tomorrow  
I see the rain again, I must complain  
again  
Why does the rain let me down?  
Will you try to make it sunny in the morning?  
Five to ten and now it's time for the weather  
Sun will shine and in its time get better  
But it won't last for long  
Clouds are spreading over London town  
Stay indoors while it pours till tomorrow  
I see the rain again, I'll take the  
blame again  
I see the rain lets you down  
But I'm gonna' make it sunny in the morning?  
Stay indoors while it pours till tomorrow  
I see the rain again, I'll  
take the blame again  
I see the rain lets you down  
But I'm gonna' make it sunny in the morning?
