Bliss

Blaque

blaque. bliss. wha what wha whatsomethings on your mind cus you dont seem happy know a place where theres no misery you don't have to worry ohh forget all you know and everything you heard take my hand don't be scared just believe in everything you dreamyo let me tell you 'bout the place i know where all the hunny flows and the streets are paved with gold where halos and mountain wings and everybody loves to do they own thing i've seen alot of con see a lot of pros and this place is worth to go yo so just imagine your favorite wish into what we call the land of pure blissit's pure bliss you've never been to a place like this where water falls and rainbows kiss so let me take you there just when you thought that you've seen it all everything is off the walllet me take you there to a never ending story no more pain it won't hurt let it go nobody has to know take your time make a wish and watch it come true it's your fantasy do what you do make all the rules babyyo let me tell you bout the place i know where all the hunny flows and the streets are paved w/ gold with halos and mountain wings and everybody loves to do they own thing i've seen alot of con see a lot of pros and this place is worth to go yo so just imagine your favorite wish into what we call the land of pure blissit's pure bliss you've never been to a place like this where water falls and rainbows kiss so let me take you there

just when you thought that you've seen it all everything is off the wallit's pure bliss you've never been to a place like this where water falls and rainbows kiss so let me take you there just when you thought that you've seen it all everything is off the wallc'mon and go with me i'll lead you to your everlasting destiny a place where everybody's gonna be pure blissit's pure bliss you've never been to a place like this where water falls and rainbows kiss so let me take you there just when you thought that you've seen it all everything is off the wallit's pure bliss you've never been to a place like this where water falls and rainbows kiss so let me take you there just when you thought that you've seen it all everything is off the walltwo thousand and one to the two thousand and triple two you know how we do we make your dreams become reality baby ha ha in the world of pure bliss
