Bed Of Roses

Screaming Trees

Where do you stand when it's all over
Washed from the earth
And down to the sea
Do you lie in a bed of rosesAre you still aware
I guess that you don't care about it nowI see your shadow knocking at my door
All plastic face and shaking hands
Now how much space could ever hold your hereAre you still aware
I guess that you don't care about it nowWhere do you stand when it's all over
Washed from the earth
And down to the sea
Do you lie in a bed of rosesAre you still aware
I guess that you don't care about it nowAre you still aware
I guess that you don't care about it now
