

Call Me (Riddler Radio)

[Anna Vissi](#)

Call me, I'm feeling so lonely, I'm lost without you
Call me, all I'm asking is to hold me, just one more time
Sleepless nights, with sweating agony
thinking how it all went wrong for me,
baby please, my life depends on you,
there's one else, I'm still in love with you
Call me, I'm feeling so lonely, I'm lost without you
Call me, all I'm asking is to hold me, just one more time
please call me, I'm feeling so lonely,
I need to hear your voice, call me all I'm asking is to
give me, one last chance
Cause I know, I'm nothing without you
I know, you're all that matters
I know, you're the only one baby
I know, don't let me down
Playing our cds, going through our photographs,
its breaking my heart, baby whats wrong with us,
its half past three, and I can't sleep tonight,
I'm thinking of you, just like I did last night
Call me, I'm feeling so lonely, I'm lost without you
Call me, all I'm asking is to hold me, just one more time
please call me, I'm feeling so lonely,
I need to hear your voice, call me all I'm asking is to
give me, one last chance
Cause I know, I'm nothing without you
I know, you're all that matters
I know, you're the only one baby
I know, don't let me down
