4 the Tears In Your Eyes

Prince

Long ago there was a man
Change stone to bread with the touch of his hand
Made the blind see and the dumb understand
He died for the tears in your eyes, your eyesMany people came from all around
To hear this man preach, glorious sound
He spoke of man in harmony and love abound
He died for the tears in your eyes, your eyes
Your eyes, your eyesHe died for the tears in your eyes
For the tears in your eyes and the tears of sorrow
Four cents may be all that they're worth
For the rising sun each day assures us
The meek shall inherit the earth, the earthFaith is a word, we all should try
Describing the man who willingly died
Believe that your hunger, sorrow and fears
Is less than the tears in your eyes, your eyesLess than the tears in your eyes
For the tears in your eyes and the tears of sorrow
Four cents may be all that they're worth
For the rising sun each day assures us
The meek shall inherit the earthSay it again
For the tears in your eyes and the tears of sorrow
Four cents may be all that they're worth
For the rising sun each day assures us
The meek shall inherit the earth, the earth
