

# ...And the Rest Will Follow

## Project 86

And crucial context pressure drops  
Unknown heights, I am, I was, am I was  
The absolution north in the  
Whitewall squall here is your why, is your whyRest never to late to recreate  
Recreate, I'll meet you in, meet you in  
Will desperation, exit scene  
In cold reliefFollow the hand, the furnace, the straight face  
Hand, the furnace, the straight face  
Hand, the furnace, the straight face  
Hand, the furnace, the straight face
