

# Boom Skit

M.I.A.

Brown gal, brown gal, turn your shit down  
You know America don't wanna hear your sound  
Boom boom jungle music, go back to India  
With your crazy shit, you're bumming up the area  
Looking through your Instagram, looking for a pentagram  
All I see is poor people, they should be on ghetto-gram  
You don't get our underground, Bro-fest are overground  
Fist pump, eat, hammer, even throw your dick around  
Yeah you try to stick around do you do your bic around?  
Let you into superbowl you tried to steal Madonna's crown  
What the fuck you on about?  
Think about goin to France, quelle heure est-il?  
Its the time to do the terror dance  
Eat, pray, love, spend time in the Ashram  
Or I'll drone you, Kony 2012 you now scram!(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)  
(Boom shaka laka boom)
