

# I Got a Woman

## Them

Whoa sometime, sometimes I get a little worried  
Well, but I want to tell ya all, it's alright, yeah[Chorus:]  
'Cause I got a woman way across town  
She's good to me, she's good to me  
I got a woman way 'cross town  
She's alright, she's alrightShe's my baby, don't ya understand?  
'Cause you know I'm her loving man  
I got a woman way across town  
She's good to me, yes she isSave her loving, kissing and a hugging  
Just for me, yes she does  
Save her loving, early in the morning  
Just for me, whoa yeahShe's my baby  
Don't ya understand?  
Well ya know I'm her loving man  
Well I got a woman, right here in town  
She's alright, readyHey!She's there to love me  
Both day and night  
She never grumbles or fusses  
Always treats me rightNever on the streets  
Leaving me alone  
She knows a woman's place  
Right back there in her homeGot a woman way across town  
She loves me  
She's my ladyI got a woman, way across town  
She good to me, she good to me  
She's my baby  
Don't ya understand?  
Lord, ya know I'm her loving man  
Got a little woman, way across town  
She alright, she alrightHey hey, oh yeah  
Hey, oh yeah  
Crying whoa, whoa whoa whoa  
Whoa whoa whoa whoa whoa whoa  
Whoa whoa whoa whoa  
She's alright
