I'm Mad

Willie Mabon

They criticize me, huh? They talk about me bad
Let me tell you this, you done made me mad
I'm mad, I'm mad, you done made me mad
I'm mad, I'm mad, you done made me mad
Knock, knock, I'm in this *** let me get some act right
Who it is at the do'? This baby track light
They criticize me, talk about me like some ***
They *** my name up with promos, say I don't come to shows
But you got me *** up, so I'm bucked up and *** up
So I wrote this song for *** made ***
Still got all switch played ***
€?He gon' die from diabetes?, that's what they said
€?The way he livin', he gon' end up like his *** dad?
They say my attitude rude, I need sum ADD
So they put on medication, told Mama to pray for me
Wonder what make 'em hate on me, my heart made of gold
But now I'm *** off, ready to cut they *** off
Stick it up in they *** mouth and *** it, oh, yeah, I'm thuggin'
Strappin' up in the project got me ain't scared of nothin'
Keep my name up out yo' mouth and be careful, lil' ***
Or the *** ambulance gon' have to help you, lil' ***
Man, I'm tired of this childish ***, gon' get into sum ridah ***
Every time I see you, I'm gonna hit you with that proper ***
*** bring the blues, really ain't got nothin' to lose
Keep my name up out yo' mouth and *** I ain't gon' *** wit you
They criticize me, huh? They talk about me bad
Let me tell you this, you done made me mad
I'm mad, I'm mad, you done made me mad
I'm mad, I'm mad, you done made me mad
They criticize me, huh? They talk about me bad
Let me tell you this, you done made me mad
I'm mad, I'm mad, you done made me mad
I'm mad, I'm mad, you done made me mad
My sugar up, I'm heated now, ready to get even now
I don't talk no ***, I talk my *** where the *** now
I don't hold back ***, yeah, they so bad ***
Everybody holla-in' gutta *** know that's had ***
My baby mama, she gotta go, she leave my son wit anybody
She won't be needin' so bad but she need that face and that big ***

My teachers talk about me bad every time I cut they class
Now I *** they daughters in they *** 'cuz they made me mad
All my friends who turned on me
They like, ?Boosie, you wanna get high??
I don't burn, homie, they even talk about Donkey all the time
I heard yo' cousin got life plus 99
How he get out 'cuz he shot at all the time?

Damn near had me crown and they say I ratted on you
But his own blood ratted on 'em, put that in yo' notes
But I kept it real wit his *** when we start makin' that cash
When it went down, he changed, that's why I'm mad
That's why I'm mad
They criticize me, huh? They talk about me bad
Let me tell you this, you done made me mad
I'm mad, I'm mad, you done made me mad
I'm mad, I'm mad, you done made me mad
They criticize me, huh? They talk about me bad
Let me tell you this, you done made me mad
I'm mad, I'm mad, you done made me mad
I'm mad, I'm mad, you done made me mad
They killed my dog, it's hurtin' me, got me back on purple leaf
*** my head up mo' 'cuz I see 'em lay down on the murder scene
Now I'm mad as a *** sad as a ***
Ready to get in some savage ***
Gotta be cool, can't be no fool, gotta plan this *** and damage it
Police, they nosey, they askin' how much bread I make
Askin' 'bout my watch and bracelets, deep inside, they player hate
Now I'm mad at the world, cursin' out everybody
Sometimes I take it out on my girl but I'm sorry
But I'm thinkin' 'bout my father and I got so much rage
And I know that he gon' rise up out that muthaf*** grave
You ain't heard? They banned that 50 movie
'Get Rich Or Die Tryin''
But if it's a law, then Arnold S*** they kill all the time
But he black, so it's different, it's a fact, it's racism
Plus I'm mad wit Bush decision, what he gon' do about terrorism?
Need to send some nuclear bombs
'Cuz once again they gon' come
They hittin' them big cities
I'm glad I'm from where I'm from but I'm mad
They criticize me, huh? They talk about me bad
Let me tell you this, you done made me mad
I'm mad, I'm mad, you done made me mad
I'm mad, I'm mad, you done made me mad

They criticize me, huh? They talk about me bad
Let me tell you this, you done made me mad
I'm mad, I'm mad, you done made me mad
I'm mad, I'm mad, you done made me mad
I'm mad, I'm mad, I'm mad, I'm mad
I'm mad, I'm mad, I'm mad, I'm mad
I'm mad, I'm mad, I'm mad, I'm mad
I'm mad, I'm mad, you done made me mad
