Tilting The Hourglass

Alesana

You take my breathe away But I'll never taste your lips As fate keeps me locked away I must close my eyes to see your faceEmptiness has darkened my eyes As I hopelessly beg for my life to end Tell me whyMy iron eyes tell the tale Heroes always pay in their blood I can be only this I see the fear growing in their lost eyes My purpose is so clear, I am the ax I am the ax and this is why I must not fear the end And when I'm gone, will you forget me? Pen wears its steady course across the page Resigned to it's designs to take the hiveEmptiness has darkened my eyes As I hopelessly beg for my life to end Tell me whyI wish I could make you see I wish I could make you see Through the pain, through the endI wish I could make you see The greater purpose that I have to serve No one else will fight No one else will fight, so I mustMy iron eyes tell the tale Heroes always pay in their blood I can be only this I am the ax, fear has been lost to faith The darkened night has come before the end Of which we must prevail Amidst the pitch of steel we shall arise I will destroy all those who oppose meMy iron eyes tell the tale Heroes always pay in their blood I can be only this I see the fear growing in there
