Stargazer

Siouxsie and the Banshees

Been thinking how to escape?
This strait-jacket of constraint
Been thinking what can be wrong?
With feelings that long to belongStargazing me
In an upside down seaSo weary this strait-jacket dreamer
So resigned to continue to suffer
But you've learned that as you grow weaker
There's less hurt because there's much less to hurtStargazing me
In a tumbling sea
Up in the galaxy
Staring down on meStargazer
StargazerStargazer reach out to touch
With your mind that frees you so much
Stargazer kissing your kismet
With bright jewel encrusted scarsStargazing me
In tranquility
Up in the galaxy
Staring down on meStargazing me
In tranquility
Up in the galaxy
Staring down on me
