

# Find Myself In You

Brian McKnight

I was so lonely though there was so many symbols waiting  
I'm so glad that this ain't that  
Were you the only reason I can make it through  
The long long day and that's a fact Baby, I can't wait to get next to you  
Oh, I can't wait to wrap my arms around your body  
Baby, I can't help but tell the truth  
Oh, it's so hard to wait till no one else is around Gonna try to keep myself together  
Till find myself in you, baby, no no  
Before they take you back to heaven  
Gonna find myself in you, no no I hate to keep waiting  
But there are some things that need my attention  
Before I can get back to you  
Anticipating my hands all over your body baby, you know  
I know just what to do And baby, I can't wait to get next to you  
Oh, I can't wait to wrap my arms around your body  
Baby, I can't help but tell the truth  
Oh, it's so hard to wait till no one else is around I'm gonna try to keep myself together  
Till find myself in you, baby, no no  
Before they take you back to heaven  
Gonna find myself in you, no no, no no baby The only place I want to be is right here with you  
Loving you down and you  
You can take what you want from me  
No else'll let me have you around I'm gonna try to keep myself together  
Till I find myself in you, oh baby  
Before they take you back to heaven  
Gonna find myself in you, oh baby I'm gonna try to keep myself together  
Till I find myself in you, oh, baby, baby  
Before they take you back to heaven  
Gonna find myself in you, listen, listen
