Flesh & Bone

Battlecross

Overcome their hate
Don't let them fool you
Let them choke on their envy
Hold fast to your own beliefsCowards die
Many times
Before they reach their own demise
The brave and the fearless
Taste it but once in their livesDon't fear your day or reckoning
Make it fear youPush
Push your past aside
Don't let fear eat you inside
Grow through the pain
You're more than flesh and bone
A hopeless existence
It's not a life I want to lead
There is no redemption
If you can't fight for yourselfDon't fear your day or reckoning
Make it fear youPush
Push your past aside
Don't let fear eat you inside
Grow through the pain
You're more than flesh and bonePush
Push your past aside
Don't let fear eat you inside
Grow through the pain
You're more than flesh and bone
I learn from the failures of others
I watch their worlds burn
Cast a shadow to hide their hate
While they do nothing to save themselves, to save themselvesDon't let their sorrows, their pain
Sway you from your true identityYou're more than flesh and bone
Flesh and bone
