Guess Who I Saw Today

Nancy Wilson

You're so late getting home from the office
Did you miss your train?
Where you caught in the rain?
No, don't bother to explainCan I fix you a quick martini?
As a matter of fact
I'll have one with you
For to tell you the truth
I've had quite a day tooGuess who I saw today, my dear
I went in town to shop around for something new
And thought I'd stop and have a bite when I was throughI looked around for someplace near, and it occurred to me
Where I had parked the car, there is a most attractive
French cafe and bar, it really wasn't very farThe waiter showed me to a dark, secluded corner
And when my eyes became accustomed to the gloom
I saw two people at the bar who were so in love
That even I could spot it clear across the roomGuess who I saw today, my dear
I've never been so shocked before
I headed blindly through the door
They didn't see me passing throughGuess who I saw today?
Guess who I saw today?
Guess who I saw today?
I saw you
