

# Broken Hymns (Live At Fenway Park)

## Dropkick Murphys

On that snowy bright December day  
She came and took my breath away  
I was there and I met my love so fair  
A beauty oh so true and rare For who we are and what we'll be  
I'll sing your praise eternally  
When I was lost you carried on  
When I was weak you kept us strong You walk the line so gracefully  
Of friendship, love and loyalty  
In troubled times you did your best  
Of lesser strength I must confess For who we are and what we'll be  
I'll sing your praise eternally  
When I was lost you carried on  
When I was weak you kept us strong As seasons come and seasons pass  
The bond we know will always last  
We built a life remaining true  
I pledge my heart and soul to you For who we are and what we'll be  
I'll sing your praise eternally  
The miles we've shared I'd trade but few  
They're the ones that kept me away from you On that snowy bright December day  
She came and took my breath away  
I was there and I met my love so fair  
A beauty oh so true and rare For who we are and what we'll be  
I'll sing your praise eternally  
When I was lost you carried on  
When I was weak you kept us strong
