Nothing Is Impossible

Jon Owens

Verse I:
In this world there will come
Trials and tribulation
In this world there will come
Fear and speculation

Verse II:
I can't look left, I can't look right
Or the waves will overtake me
So I must set my sight
On He who won't forsake me

Pre-Chorus:
When the thunder roars and the storms come
I know where my help comes from

Chorus:
I look up to you
I know that through You
All things are possible
Nothing is Impossible

Bridge
Nothing!
No! No! No!
Nothing is impossible

When the thunder roars and the storms come
I know where my help comes from

My Rock and My Salvation... JESUS!
