

Sentimental Lady

Fleetwood Mac

You are here and warm
But I could look away and you'd be gone
'Cause we live in a time
When meaning falls in splinters from our lives
And that's why I've traveled far
'Cause I come so together where you are And all of the things that I said that I wanted
Come rushing by in my head when I'm with you
Fourteen joys and a will to be merry
All of the things that we say are very
Sentimental, gentle wind
Blowing through my life again
Sentimental lady
Gentle one
Sentimental, gentle wind
Blowing through my life again
Sentimental lady
Gentle one Now you are here today
But easily you might just go away
Because we live in a time
When paintings have no color, words don't rhyme
And that's why I've traveled far
'Cause I come so together where you are
Yeah
And all of the things that I said that I wanted
Come rushing by in my head when I'm with you
Fourteen joys and a will to be merry
And all of the things that we say are very Sentimental, gentle wind
Blowing through my life again
Sentimental lady
Gentle one
Sentimental, gentle wind
Blowing through my life again
Sentimental lady
Gentle one You are here and warm
But I could look away and you'd be gone
'Cause we live in a time
When meaning falls in splinters from our lives
And that's why I've traveled far
'Cause I come so together where you are Yes

And all of the things that I said that I wanted
Come rushing by in my head when I'm with you
Fourteen joys and a will to be merry
All of the things that we say are very Sentimental, gentle wind
Blowing through my life again
Sentimental lady
Gentle one
Sentimental, gentle wind
Blowing through my life again
Sentimental lady
Gentle one Sentimental, gentle wind
(All of the things that I said that I wanted)
Blowing through my life again
(Come rushing by in my head when I'm with you)
Sentimental lady
(Fourteen joys and a will to be merry)
Gentle one
(All of the things)
(Well)
Sentimental, gentle wind
(All of the things that I said that I wanted)
Blowing through my life again
(Come rushing by in my head when I'm with you)
Sentimental lady
(Fourteen joys and a will to be merry)
Gentle one
(All of the things that we say are very)
(Well)
Sentimental, gentle wind
(All of the things that I said that I wanted)
Blowing through my life again
(Come rushing by in my head when I'm with you)
Sentimental lady
(Fourteen joys and a will to be merry)
Gentle one.
