Wouldn't Change A Thing

Camp Rock

[Demi (Joe):]
It's like, he doesn't hear a word I say
His mind is somewhere far away
And I don't know how to get there
It's like all he wants is to chill out
(She's serious)
He makes me wanna pull all my hair out
(She's always in a rush and interrupted)
Like he doesn't even care
(Like she doesn't even care)[Demi + Joe:]
You, me
We're face to face
But we don't see eye to eyeLike fire and rain (Like fire and rain)
You can drive me insane (You can drive me insane)
But I can't stay mad at you for anything
We're Venus and Mars (Venus and Mars)
We're like different stars (like different stars)
You're the harmony to every song I sing
And I wouldn't change a thing[Joe:]
She's always trying to save the day
Just wanna let my music play
She's all or nothing
But my feeling's never change[Demi (Joe:)]
Why does he try to read my mind?
(I try to read her mind)
It's not good to psychoanalyze
(She tries to pick a fight to get attention)
That's what all of my friends say
(That's what all of my friends say)[Demi + Joe:]
You, me
We're face to face
But we don't see eye to eyeLike fire and rain (Like fire and rain)
You can drive me insane (You can drive me insane)
But I can't stay mad at you for anything
We're Venus and Mars (Venus and Mars)
We're like different stars (like different stars)
but you're the harmony to every song I sing
And I wouldn't change a thing[J:] When I'm yes, she's no
[D:] When I hold on, he just lets go

[J + D:] We're perfectly imperfect
But I wouldn't change a thing, noLike fire and rain (Like fire and rain)
You can drive me insane (You can drive me insane)
But I can't stay mad at you for anything
We're Venus and Mars (Venus and Mars)
We're like different stars (like different stars)
but you're the harmony to every song I sing
And I wouldn't change a thingBut I can't stay mad at you for anything
We're Venus and Mars (Venus and Mars)
We're like different stars (like different stars)
but you're the harmony to every song I sing
And I wouldn't change a
Wouldn't change a thing
