

Far Far

Yael Na'Am

Far far, there's this little girl
She was praying for something to happen to her
Everyday she writes words and more words
Just to speak out the thoughts that keep floating inside
And she's strong when the dreams come cos' they
Take her, cover her, they are all over
The reality looks far now, but don't go

[Chorus:]

How can you stay outside?
There's a beautiful mess inside
How can you stay outside?
There's a beautiful mess inside
Mmm...mmm...
Oh oh oh oh

Far far, there's this little girl
She was praying for something good to happen to her
From time to time there're colors and shapes
Dazzling her eyes, tickling her hands
They invent her a new world with
Oil skies and aqua rel rivers
But don't you run away already
Please don't go oh oh

[Chorus: Repeat 2X]

Oh beautiful, beautiful

Far far there's this little girl
She was praying for something big to happen to her
Every night she ears beautiful strange music
It's everywhere there's nowhere to hide
But if it fades she begs
"Oh Lord don't take it from me, don't take it yourselves"

I guess I'll have to give it birth
To give it birth
I guess, I guess, I guess I have to give it birth
I guess I have to, have to give it birth

There's a beautiful mess inside and it's everywhere

So shake it yourself now deep inside

Deeper than you ever dared

Deeper than you ever dared

There's a beautiful mess inside

Beautiful mess inside
