

# Do You Remember?

Neil Sedaka

Do you remember  
picnics in the park  
Do you remember  
Dancing in the dark  
Do you remember  
Lying in the sand  
All these special moments  
We had in wonderland  
If I could take these precious moments  
Put them in a box  
If I could feel these times once more  
I'd turn back the clock  
Wouldn't it be wonderful  
The way that things were then  
I would like to turn back time  
Live it all again  
Do you remember  
Stealing that first kiss  
Do you remember  
Falling in love like this  
Time goes by so swiftly  
Time goes by so fast  
I want our love to last  
[Spanish section]  
Do you remember  
the meaning of romance  
Do you remember  
when we took the chance  
Wouldn't it be wonderful  
Not to think of sorrow  
I want all my yesterdays  
To be my bright tomorrows  
If I could take these precious moments  
Put them in a box  
If I could feel these times once more  
I'd turn back the clock  
Wouldn't it be wonderful  
The way that things were then  
I would like to turn back time

Live it all again
