Keep Holding On

Soundtrack

You're not alone, together we stand
I'll be by your side, you know I'll take your hand
When it gets cold and it feels like the end
There's no place to go, you know I won't give in
No, I won't give in
Keep holding on
'Cause you know we'll make it through, we'll make it through
Just stay strong
'Cause you know I'm here for you, I'm here for you
There's nothing you could say, nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll make it through
So far away, I wish you were here
Before it's too late this could all disappear
Before the door's closed and it comes to an end
With you by my side I will fight and defend
I'll fight and defend, yeah, yeah
Keep holding on
'Cause you know we'll make it through, we'll make it through
Just stay strong
'Cause you know I'm here for you, I'm here for you
There's nothing you could say, nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll make it through
Hear me when I say when I say, I believe
Nothing's gonna change, nothing's gonna change destiny
Whatever's meant to be will work out perfectly
Yeah, yeah, yeah, yeah
Keep holding on
'Cause you know we'll make it through, we'll make it through
Just stay strong
'Cause you know I'm here for you, I'm here for you
There's nothing you could say, nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll make it through
Keep holding on

Keep holding on
There's nothing you could say, nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll make it through
