

Steppin' Right Along

Bill Withers

Steppin' right along
Like it ain't nothing, baby
Something just, something just blew your mind
Something come along
To make you stronger, baby
But you know it got to take timeTalk a little deep
To make you wonder, baby
And it's not that same old lineWhoa, look out nowSomething some time
Come along and blow your mind
Watch out, girl
Somebody hot (hot!)
Make you give up everything you gotSteppin' right along
Like it ain't nothing, baby
Something just, something just blew you mind
Something come along
That kick like thunder, baby
You know got to give it up for them
Right on time'Would it be wise or weak?'
You wonder, baby
Goodbye Reason, Hello Rhyme
Look out, girlSomething some time
Come along and blow your mind
Watch out, girl
Somebody hot (hot!)
Make you give up everything you gotSteppin' right along
Like it ain't nothing, baby
Something come along
And just blew your mind
'Some kind of magic spell?'
You wonder, baby
Make a drink of muddy water
Taste like wineAnd 'Would it be wise or weak?'
You wonder, baby
Goodbye Reason, Hello Rhyme
'Love made me do it!'Something some time
Come along and blow your mind
Watch out, girl
Somebody hot (hot!)
Make you give up everything you gotSaid I will follo the Lord in heaven

I want to be thy holding angel
'Til the Kingdom come
Thy will be down
Down here on earth
Just like it is in heaven
Give us this day
Our daily bread
Give us our sins
We forgive our brothers
Lead us far away, every day,
From temptation
Heavenly Father
Deliver us from evil
Thine is the kingdom
And the power
And the glory
Forever!
Heavenly Father
Sweet heavenly Father
Heavenly Father
Sweet sweet heavenly Father
Sweet ol' Heavenly Father
