You Are

G Tom Mac

You are the song that never played
A lyric unafraid to be who you are
You are the sight to what is blind
The hardest truth to find thatâ€™s what you are

There are crimes that leave us empty when you love
Times when lifeâ€™s redemptionâ€™s not enough
As if there was somebody watching over me
As faithless as I am itâ€™s clear to see

Youâ€™re made of light & brave as Joan Of Ark
Chase away my dreaming in the dark
Tell me I will find the child I was
In what you are

You are the wave that comes along
The one after the storm thatâ€™s what you are
You are the one without fear
As you dry my falling tears you know who you are

In this scared & cutoff world can we belong
As I question what is pure & where itâ€™s gone
In my final hour of loosing everything
As haunted as I am I find meaning

Made of light & brave as Joan Of Ark
Chase away my unforgiving heart
Tell me I will find the child I was
As you go waking up the eyes that sleep alone
Breaking down a soul made out of stone
If only I deserved to have all of what you are

You are the hardest truth defined thatâ€™s what you are
