Blackout

Anna Calvi

Quick strike a flame 'cause the very last light is gone
I feel something comin' as I'm running down the hallVoices, darkness is coming for my soul
Should I fear you or should I just let go?Oh, blackout, I've gotta know where you're from
What are you trying to tell me, I don't know
Oh, blackout, now this moment has come
Here in the dark, I could be anyoneI try and stand still but I feel you by my side
But even this moment is running out of timeOh, blackout, I've gotta know where you're from
What are you trying to tell me, I don't know
Oh, blackout, now this moment has come
Here in the dark, I could be anyoneOh, blackout, now this moment has come
What are you trying to tell me, I don't know
Oh, blackout, I won't tell where you're from
Here in the dark, I could be anyoneDon't leave, don't leave me
