

Mother's Little Helper

[Liz Phair](#)

What a drag, it is getting old
"Kids are different today", I hear every mother say
Mother needs something today to calm her down
And though she's not really ill, there's a little yellow pill
She goes running for the shelter of a mother's little helper
And it helps her on her way, gets her through her busy day
"Things are different today", I hear every mother say
Cooking fresh food for, a husband's just a drag
So she buys an instant cake and she burns her frozen steak
And goes running for the shelter of a mother's little helper
And two, help her on her way, get her through her busy day
Doctor please, some more of these
Outside the door, she took four more
What a drag, it is getting old
"Men just aren't the same today", I hear every mother say
They just don't appreciate that you get tired
They're so hard to satisfy, you can tranquilize your mind
So go running for the shelter of a mother's little helper
And four, help you through the night, help to minimize your plight
Doctor please, some more of these
Outside the door, she took four more
What a drag, it is getting old
"Life's just much too hard today", I hear every mother say
The pursuit of happiness just seems a bore
And if you take more of those, you will get an overdose
No more running for the shelter of a mother's little helper
They just helped you on your way, through your busy dying day
