

Everything Counts (Absolut Mix Version)

Depeche Mode

Grab all they can
After all
Grab all they can
After allThe handshake
Seals the contract
From the contract
There's no turning backThe turning point
Of a career
In Korea
Being insincereThe holiday
Was fun packed
The contract
Still intactThe grabbing hands
Grab all they can
All for themselves
After allThe grabbing hands
Grab all they can
All for themselves
After allIt's a competitive world
Everything counts in large amountsThe graph
On the wall
Tells the story
Of it allPicture it now
See just how
The lies and deceit
Gained a little more powerConfidence
Taken in
By a sun tan
And a grinThe grabbing hands
Grab all they can
All for themselves
After allThe grabbing hands
Grab all they can
All for themselves
After allIt's a competitive world
Everything counts in large amounts
Everything counts in large amountsThe grabbing hands
Grab all they can
Everything counts in large amountsThe grabbing hands

Grab all they can
Everything counts in large amountsThe grabbing hands
Grab all they can
Everything counts in large amountsThe grabbing hands
Grab all they can
Everything counts in large amounts
Everything counts in large amountsThe grabbing hands
Grab all they can
Everything counts in large amountsThe grabbing hands
Grab all they can
Everything counts in large amountsThe grabbing hands
Grab all they can
Everything counts in large amountsThe grabbing hands
Grab all they can
Everything counts in large amounts
