

# Lime Tree Arbour (2011 Remastered Edition)

## Nick Cave & The Bad Seeds

Boatman calls from the lake  
A lone loon dives upon the water  
I put my hand over her  
Down in the lime tree arbourThe wind in the trees is whispering  
Whispering low that I love her  
She puts her hand over mine  
Down in the lime tree arbourEvery breath that I breathe  
And every place I go  
Well, there is a hand that protects me  
And I do love her soThere will always be suffering  
It flows through life like water  
I put my hand over her  
Down in the lime tree arbourThe boatman, he is gone  
The loons have flown for cover  
She puts her hand over mine  
Down in the lime tree arbourThrough every word that I speak  
And everything I know  
Well, there is a hand that protects me  
And I do love her so
