

# Creatures of the Night (feat. Noire Lee)

## Menno de Jong

We are awakened by the darkness  
Roam the surface of the earth  
We are the children of the restless  
The broken and the cursed  
We are  
We are  
We are awakened by the darkness  
Chasing shadows through the street  
We are the spirits of the reckless  
We won't admit defeat  
We are  
The rising moon  
Is coming soon  
We are immune  
We are the creatures of the night  
Patiently waiting for the light  
To subside  
It's where we thrive  
We are the creatures of the night  
Nothing can keep us from the fight  
Cuz tonight  
It's you and I
