

Jailbait

Ted Nugent

I've got no inhibitions
So keep your keys out of your ignition
I steal a car like I got the curse
I can't resist the old lady's purse Jailbait you look so good to me
Jailbait won't you set me free
Jailbait you look fine fine fine
I know I've got to have you in a matter of time Well I don't care if you're just thirteen
You look too good to be true
I just know that you're probably clean
There's one lil' thing I got to do to you Jailbait you look so good to me
Jailbait won't you set me free
Jailbait you look fine fine fine
I know I've got to have you in a matter of time So tell your mama that I'm back in town
She likes us boys when it's time to get down
She's got this craving for the underage
I just might be your mama's brand new rage Jailbait you look so good to me
Jailbait won't you set me free
Jailbait you look fine fine fine
I know I got to have you in a matter of time Honey you you you look so nice
She's young she's tender
Won't you please surrender
She's so fine she's mine
All the time, all mine mine
It's all right baby
It's quite all right I asked your mama
Wait a minute officer
Don't put those handcuffs on me
Put them on her and I'll share her with you Jailbait, jailbait
