

Undertow

[Lisa Hannigan](#)

I want to swim in your current
carry me out, up and away.
I want to float
on every word you say. Want to underneath your weather
every cloud and ray of sun.
I want to float
in between every one.
In between every one. I want to sink down like a stone.
You never lost me, you never broke.
I want to be adrift on your radio.
Oh take me under, take me home
on the undertow. I want to be all on a sudden
every wave and undertow.
I want to float
everywhere I go.
Everywhere I go.
Everywhere I go.
Everywhere I go. I want to sink down like a stone.
You never lost me, you never broke.
I want to be adrift on your radio.
Oh take me under, take me home... I want to sink down like a stone.
You never lost me, you never broke.
I want to be adrift on you radio.
Oh take me under, take me home... I want to sink down like a stone.
You never lost me, you never broke.
I want to be adrift on your radio.
Oh take me under, take me home... I want to sink down like a stone.
You never lost me, you never broke.
I want to be adrift on your radio.
Oh take me under, take me home
on the undertow.
