

# Doctor

## Chief Keef

[Intro]

Bang, bang, bang, bang

Blocka, blocka, blocka

Bang, bang[Hook]

Went and got me a chopper

Just to send a nigga to the doctor

This ho called me, said she need a doctor

I said baby I fix bitches, that's no problem

Would you write me if I was locked up?

Would you like me if I wasn't guaped up?

Balenciagas, I don't wear no Prada (hell nah)

Straight hundreds, I don't take no dollars (hell nah)[Verse 1]

5 thousand, turn 'em into dollars

In the strip clubs, throw 'em, make 'em holler

I touched 50,000 dollars down to Johnny Dang

But I had to make sure my Grandmama rent paid

'Member playin' cops and robbers

Niggas was cops, I was robbin'

Just seen a car, finna cop it

And how dare a nigga tell me that I'm not, bitch

Baby like why he be on that hot shit?

Boy fuck that hot shit, fuck that hot shit

If it's that guap shit I be on that, I be on that

Lonely at the top, I ain't going back[Hook]

[Verse 2]

Went and got me some guap

'Member when I ain't had none

Went and got me some Baleinciagas

Cause I remembered that's what I wanted

Ridin' in anything I want

And I fuck any thot I want bitch

I be gettin' money, gettin' money

And I be spendin' money, spendin' money

Pull up, sku sku sku, better cuff your honey

If you want her cause I know she love money

And that money shit ain't funny

I always be gettin' money

[Hook: x2]
