Love Song

Jason Morant

Where can I go?
Where can I run from You?
You're everywhereYou know all my thoughts
You see through my ways
And still You come to meAnd so I sing a love song to You
And so I sing a love song to YouFrom Heaven above
Earth down beneath
Your love rains down on meYou know all my thoughts
You see through my skin
And still You come to meAnd so I sing a love song to You
And so I sing a love song to YouYou walk on waves, You run with clouds
You paint the sky for me to see
Your majesty, Your majesty is why I singAnd this is a love song to You
And this is a love song to You, yeah
And this is a love song to You, yeah
And this is a love song to You, to You, yeahYou walk on waves, You run with clouds
You paint the sky for me to see
Your majesty, Your majesty is why I singYes it's all for YouIn my life a love song to You
In my life a love song to You
Everything I do
In my life a love song to You, yeah
In my life a love song to You
In my life a love song
