

# Careful In Career (Demo)

## Simple Minds

Careful In Career  
Take care  
I take care  
It's a shame  
To go away  
It's a shame to go away  
It's a shame  
To die already  
Looking at you  
Looking in through at me  
Pouring X years of life  
Pouring in ecstasy  
Performance or ecstasy  
I'm looking at you  
Looking in through at me  
I've come so far already  
I've come so far already  
So far  
I've come so farCareful In Career  
Take care  
I take care  
I see the lodgers  
They are walking  
Hands over my eyes  
I see you yawning  
Shambling  
Drugged up by the heat and soLooking at you  
Looking in through at me  
Pouring X years of life  
Pouring in ecstasy  
In performance or in ecstasy  
I'm looking at you  
Looking in through at me  
I've come so far already  
I've come so far alreadyIt's a shame  
Looking at you  
Looking in through at me  
All in ecstasy  
I've come so far already

All in ecstasy  
I've come so far already  
All in ecstasy  
I've come so far already  
I've come so far  
I've come so far  
It's a shame  
It's a shame  
Looking at you  
Looking in through at me
