

# New Sensation

## INXS

Live baby live  
Now that the day is over  
I got a new sensation  
In perfect moments  
There's some impossible to refuseSleep baby sleep  
Now that the night is over  
And the sun comes like a god  
Into our room  
All perfect light and promisesGotta hold on you  
A new sensation, a new sensation  
Right now  
It's gonna take you over  
A new sensation, a new sensationDream baby dream  
Of all that's come and going  
And you will find out in the end  
There really is  
There really is no differenceCry baby cry  
When you got to get it out  
I'll be your shoulder, you can tell me all  
Don't keep it in ya  
Well that's the reason why I'm hereHey hey, are you ready for  
A new sensation, a new sensation  
Right now  
Gonna take you on a  
New sensation, a new sensation  
TrumpetA new sensation  
Hey hey hey hey  
A new sensation  
A new sensationHate baby hate  
When there's nothing left for you  
You're only human, what can you do?  
It'll soon be over  
Don't let your pain take over youLove baby love  
It's written all over your face  
There's nothing better we could do  
Than live forever  
Well that's all we've got to doHey now, I'm gonna take you over  
A new sensation, a new sensation  
Right now

Gotta hold on you  
A new sensation, a new sensation  
A new sensation, a new sensationA new sensation
