Electric Shock

Deee-Lite

Feel the music
Can you feel it
Move your body
Feel the music
Yes you can feel it, feel it
Move your bodyYou're funky and you never stop
It's like electric shock
Criss cross circulation
Throughout every nationFeel the music
Can you feel it
Move your body
Feel the music
Yes you could feel it, feel it
Move your bodyMove your body, move your body
Move your body, move your body
Move your body, move your bodyCirculate, circulate
Circulation
All around
All around the nationRunning through
Running through your body
Mother Earth
Mother Earth creationCan you feel it
Electricity running through your body
Can you feel it
Electricity running through your bodyEverybody yeah
Get us off your feet
off your feet, yeahIt's time to scream out loud, yeah
It's time to celebrate, yeah
We are all conductors of electric groove
Got to take you higher
Feel your every grooveFeel the music
Can you feel it
Move your body
Feel the music
Yes you can feel it, feel it
Move your bodyMove your body, move your body
Move your body, move your body
Move your body, move your bodyMove your body, move your body
Move your body, move your body

Move your body, move your bodyCirculate, circulate
Circulation
All around
All around the nationRunning through
Running through your body
Mother Earth
Mother Earth creationCirculate, circulate
Circulation
All around
All around the nationRunning through
Running through your body
Mother Earth
Mother Earth creationWanna feel it, electricity running through your body
Can you feel it, electricity running through your body
Can you feel it, electricity running through your body
