

# Love Remains

## The Brilliance

We are born one fine day, children of God on our way  
Mama smiles daddy cries  
Miracle before their eyes, they protect us 'til we're of age  
Through it all love remains  
Boy moves on, takes a bride, she stands faithful by his side  
Tears and sweat they build a home  
Raise a family of their own, they share joy they share pain  
Through it all love remains  
Kingdoms come and go they don't last  
Before you know the future is the past  
In spite of what's been lost or what's been gained  
We are living proof, love remains  
I don't know baby what I'd do, on this earth without you  
We all live we all die but the end is not goodbye  
The sun comes up, and seasons change  
But through it all, love remains  
An eternal burning flame  
Hope lives on, and love remains
