Question

Old 97's

She woke from a dream, her head was on fire
Why was he so nervous?
He took her to the park, she crossed her arms
And lowered her eyelidsSome day somebody's gonna ask you
A question that you should say yes to
Once in your life
Maybe tonight I've got a question for youShe'd had no idea, she started to cry
She said in a good way
He took her by the hand, walked her back home
They took the long waySome day somebody's gonna ask you
A question that you should say yes to
Once in your life
Maybe tonight I've got a question for youI've got a question for you
