Question

Old 97's

She woke from a dream, her head was on fire

Why was he so nervous?

He took her to the park, she crossed her arms

And lowered her eyelidsSome day somebody's gonna ask you

A question that you should say yes to

Once in your life

Maybe tonight I've got a question for youShe'd had no idea, she started to cry

She said in a good way

He took her by the hand, walked her back home

They took the long waySome day somebody's gonna ask you

A question that you should say yes to

Once in your life

Maybe tonight I've got a question for youl've got a question for you
