Damad

I'm sleeping, sleeping to encompass myself
I wake up, wake up then distribute what's leftWith my anger well diffused
 The link to love I now may choose
 With my heart no more abused
The link of love I now may useI'm sleeping, sleeping to develop myself
I wake up, wake up then relinquish what's leftWith my anger well diffused
 The link to love I now may choose
 With my heart no more abused
The link of love I now may useWell I was caught by your lies spinnin'
 Then was saved by truth's opinion
 All's quiet nowWith my anger well diffused
 The link to love I now may choose
 With my heart no more abused
The link of love I now may useWith my anger well diffused
 The link to love I now may choose
 With my heart no more abused
The link of love I now may useThe link to love I may choose
 The link of love I may use
