

# You Took The Words Right Out Of My Mouth

## Meat Loaf

On a hot summer night  
Would you offer your throat to the wolf with the red roses? Will he offer me his mouth? Yes  
Will he offer me his teeth? Yes  
Will he offer me his jaws? Yes  
Will he offer me his hunger? Yes Again, will he offer me his hunger? Yes  
And will he starve without me? Yes  
And does he love me? Yes  
Yes On a hot summer night  
Would you offer your throat to the wolf with the red roses?  
Yes  
I bet you say that to all the boys It was a hot summer night and the beach was burning  
There was a fog crawling over the sand  
When I listen to your heart I hear the whole world turning  
I see the shooting stars falling through your trembling hands While you were licking your lips and your lipstick  
shining  
I was dying just to ask for a taste  
Oh we were lying together in a silver lining by the light of the moon  
You know there's not another moment  
Not another moment  
Not another moment to waste You hold me so close that my knees grow weak  
But my soul is flying high above the ground  
I'm trying to speak but no matter what I do  
I just can't seem to make any sound And then you took the words right out of my mouth  
Oh it must have been while you were kissing me  
You took the words right out of my mouth  
And I swear it's true I was just about to say "I love you", love you And then you took the words right out of my  
mouth  
Oh it must have been while you were kissing me  
You took the words right out of my mouth  
And I swear it's true I was just about to say "I love you", love you Now my body is shaking like a wave on the  
water  
And I guess that I'm beginning to grin  
Oh, we're finally alone and we can do what we want to  
Oh the night is young  
And ain't no one gonna know where you, no one gonna know where you  
No one's gonna know where you've been While you were licking your lips and your lipstick shining  
I was dying just to ask for a taste  
Oh we were lying together in a silver lining by the light of the moon  
You know there's not another moment to waste And then you took the words right out of my mouth

Oh it must have been while you were kissing me  
You took the words right out of my mouth  
And I swear it's true I was just about to say "I love you", love you  
And then you took the words right out of my  
mouth

Oh it must have been while you were kissing me  
You took the words right out of my mouth  
Oh and I swear it's true I was just about to say "I love you", love you  
You took the words right out of my mouth  
(It must have been while you were kissing me)  
You took the words right out of my mouth  
(It must have been while you were kissing me)
