

Explosive

Krayzie Bone

[Intro: Krayzie Bone] Hit em with a sound so explosive (explosive)

I take em under as if I was hypnosis (hypnosis)

The flow picks you up and won't let ya down

It keeps you up, it won't let ya down

Explosive, explosive, explosive, explosive

Explosive, explosive, explosive, explosive

[Verse 1: Krayzie Bone] With a mystic mind, I come with the wicked and rip the rhyme

The rhythm is leavin em hypnotised

They really been missin the Gemini, feel the vibe, real am I

Unstoppable, takin a loss ain't optional

Breakin me off ain't possible, DOMINOE

Reaction, attack em, collapse em, combat em and smash em

Get at em, remind em that its that Thuggish Ruggish madness (madness)

We keepin it real, no matter how they think we soft, we let em know

You bustas tryna really get with Bone, LETS GO

[Chorus: Krayzie Bone] Try to play me like I'm weak

But can't none of em compete

So get out of my mind (my mind) [MY MIIIND]

They wishin they can catch me sleep

But I stop em and they creep

Back em up with my nine (my nine) [MY NIIINE]

I keep em up off of my feet

Let em prey from underneath

Don't be wastin my time (my time) [MY TIIIME]

The hustle in me runs deep

Cause you know I'm from the streets

So I stay on my grind

Cause I'm gonna be somebody (hey), I'm somebody (hey), we somebody (hey)

Come on, I'm gonna be somebody (hey), I'm somebody (hey), we somebody (hey)

I'm finna get ready to ride
