

Chinese Firedrill

[Mike Watt](#)

if your watch is wound - wound to run, it will.if your time is due- due to come, it will.but if it ain't, you lose
your chance to choose.another day breaks, maybe I will too. living this lifeis like trying to learn latinin a chinese
firedrill if your clock is set - is set to go, it will.if your cock is like - like to crow, it will.but if ain't you lose your
chance to choose.another day breaks, maybe I will too. living this lifeis like trying to learn latinin a chinese
firedrill
