

When You're Alone

[Alex Klaasen & Martine Sandifort](#)

Times were though love was not enough
So you said sorry Johnny I'm gone gone gone
 You said my act was funny
But we both knew what was missing honey
 So you lit out on your own
Now that pretty form that you've got baby
 Will make sure you get along
But you're gonna find out some day honey
 When you're alone you're alone
 When you're alone you're alone
 When you're alone you're alone
 When you're alone you ain't nothing but alone
Now I was young and pretty on the mean streets of the city
 And I fought to make 'em my home
With just the shirt on my back I left and swore I'd never look back
 And man I was gone gone gone
But there's things that'll knock you down you don't even see coming
 And send you crawling like a baby back home

You're gonna find out that day sugar
 When you're alone you're alone
 When you're alone you're alone
 When you're alone you're alone
 When you're alone you ain't nothing but alone
I knew some day your runnin' would be through
 And you'd think back on me and you
 And your love would be strong
You'd forget all about the bad and think only of all the laughs that we had
 And you'd wanna come home
 Now it ain't hard feelings or nothin' sugar
 That ain't what's got me singing this song
It's just nobody knows honey where love goes
 But when it goes it's gone gone
 When you're alone you're alone
 When you're alone you're alone
 When you're alone you're alone
 When you're alone you ain't nothing but alone
