Heaven Is Waiting

Lynch Mob

Music: lynch
Lyrics: esposito, lynch, brown, masonI've been tryin'
Tryin' to show to you
The way I feel inside
It don't make no sense
To hide my feelings, noNo time for wastin'
Oh there's got to be a way
I beg, steal or take
The taste of tears
You throw my wayHeaven is waiting
How can you walk away, yeah
(don't walk away)
Don't hurt me, love me, babe
Don't take your time, girl
Don't be lateI've been dyin'
Dyin' to tell you how
You tear me up inside
Just a look from you
Could make or break meNow, do you remember
Oh wehn you call my name
I got this...chance
My dreams won't fade awayHeaven is waiting
How can you walk away, yeah
(don't walk away)
Don't hurt me, love me, babe
Don't take your time, girl
Don't be lateOh no way
Don't turn away
I can't waitHeaven is waiting
How can you walk away, yeah
(don't walk away)
Don't hurt me, love me, babe
Don't take your time, girl
Don't be lateHeaven is waiting
How can you walk away, yeah
(don't walk away)
Don't hurt me, love me, babe
Don't take your time, girl
Don't be lateHeaven is waiting (repeat)
